

★ INCORPORATION SERVICES

CLIENT : **An Internet Marketing Company**

BACKGROUND

An Internet Marketing company providing services across the globe came to MENTORIS with a need to do incorporation and other regulatory registration services. They were doing business as a partnership firm and wanted to incorporate a Company as their business was growing and they felt corporate structure would best suit their business plan.

MENTORIS'S ROLE

Mentor's role was to provide Incorporation services, statutory registrations for Tax, STPI, DGFT etc. This process involved

- ★ Allotment of DIN and Acquiring Digital Signature and Name approval
- ★ Drafting of MOA & AOA, stamping, digitally signing and filing the documents on Government registered portal
- ★ Grant of Certificate of Incorporation
- ★ Submission of STPI application with FIPB/RBI Approval for bringing in Foreign Equity or & NRI Repatriation of Capital

MENTORIS'S ADDED VALUE - BENEFITS MENTORIS BROUGHT TO THE CUSTOMER

- ★ Working together with the client, MENTORIS facilitated incorporation and statutory registrations matters within short time duration.
- ★ Our domain knowledge and already established contacts with the government agencies and their vendors decreased client's anonymity involved in the process.
- ★ The transparency during this process helped the client plan out their strategies to get to the market quickly.
